

INDEX TO MEDICAL ULTRASOUND, VOL. 7

Page numbers in Volume 7 (1983) are continuous through each issue. Issues by month and pages are listed below:

Issue	Month	Pages
1	February	1-48
2	May	49-90
3	August	91-146
4	November	147-190

Subject Index

ABDOMEN

Sonographic detection of fetal abdominal visceral situs inversus with duodenal atresia. Streltsoff et al. 116

The routine use of real-time ultrasound in abdominal examinations. Rosenberg et al. 1

ANTHROPOMORPHIC PHANTOM

The anthropomorphic phantom for use in understanding ultrasonic imaging of artifacts. Stadtmueller et al. 32

AQUEDUCTAL STENOSIS

Aqueductal stenosis: Third trimester presentation. Simon et al. 65

ARTIFACTS

The anthropomorphic phantom for use in understanding ultrasonic imaging of artifacts. Stadtmueller et al. 32

CAROTID BIFURCATION

High-resolution dynamic ultrasound imaging of the carotid bifurcation: A prospective evaluation (abstract). 145

CYST

Sonographic diagnosis of choledochal cyst presenting as recurrent pancreatitis. Beitia et al. 119

DIAGNOSTIC MEDICAL SONOGRAPHY

Looking at trends which could affect the field of diagnostic medical sonography. Berman. 7

A reply: Looking at trends which could affect the field of diagnostic medical sonography. DiGiacinto. 10

DOUBLE SAC

The double sac—pitfalls to avoid in diagnosis. Lloyd et al. 49

ECHOCARDIOGRAPHY

Echocardiography: A manual for technicians (book review). Wasser. 47

Echocardiographic demonstration of primary mediastinal choriocarcinoma. Lichtenberg et al. 24

Fetal echocardiography (abstract). 145

Prospective diagnosis of amyloid heart disease by echocardiography. Pope et al. 15

EDUCATION

Creating your own ultrasound slide teaching file. Bader. 13

Educationally speaking: Clinical laboratory exercises. Lea. 143

Educationally speaking: The future of sonography. Lea. 46

Educationally speaking. A conceptual approach to teaching sonographic physics. Kuperberg et al. 187

Educationally speaking: The value of role playing in sonography education. Lea. 81

Report from ASE. Leibovitz. 75

Report of the American Society of Echocardiography committee on education and training of the echocardiographer (cardiac sonographer). Filly et al. 76

Sonographer idea exchange. Baker JP, Roth AB, Filly K, Witt AA, Sanders RC. 87

The cardiac sonographer—Results of a survey of echocardiographers. Adams. 53

FETAL AGE

The use of ultrasound to determine fetal age: A review. Hadlock et al. 95

GAIN ABUSE

Techniques for success: Gain abuse. Dierks. 41

GALLBLADDER

The hyperechoic gallbladder. Sanders et al.

GASTROINTESTINAL TRACT

Ultrasonography of the gastrointestinal tract: A review. Yeh et al. 58

HEART

An atlas for echocardiographers: Two dimensional anatomy of the heart (book review). Roczen. 144

Prospective diagnosis of amyloid heart disease by echocardiography. Pope et al. 15

The cardiac sonographer—Results of a survey of echocardiographers. Adams. 53

HEMATOMETROCOLPOS

Hematometrocolpos with ipsilateral renal agencies. Dierks. 123

HYDROCELES

Hydroceles: Acoustic characterization and diagnosis. Foy et al. 91

IONESCU-SHILEY VALVE

Prospective diagnosis of dehiscence of an Ionescu-Shiley pericardial xenograph valve by noninvasive methods. Strom et al. 127

LIVER

Ultrasound appearances of metastatic carcinoid tumor to the liver. Goodman et al. 21

MEDIASTINAL CHORIOCARCINOMA

Echocardiographic demonstration of primary mediastinal choriocarcinoma. Lichtenberg et al. 24

MEDICAL IMAGING

Scientific basis of medical imaging (book review). Vacira. 144

METASTATIC CARCINOID TUMOR

Ultrasound appearances of metastatic carcinoid tumor to the liver. Goodman et al. 21

MITRAL ANNULAR CALCIFICATION

Clinical profile of patients with mitral annular calcification. Nagger et al. 104

MITRAL VALVE PROLAPSE

A review of mitral valve prolapse. Waletz. 132

NECK ABSCESS

Ultrasonography in the diagnosis and treatment of neck abscess with thrombosis of the internal jugular vein. Straub et al. 71

NOSOCOMIAL INFECTIONS

Prevention of nosocomial infections through handwashing. Nokes. 114

OBSTETRICS

Aqueductal stenosis: Third trimester presentation. Simon et al. 65

Fetal echocardiography (abstract). 145

Sonographic detection of fetal abdominal visceral situs inversus with duodenal atresia. Streltsoff et al. 116

The eccentric gestational sac: Sonographic appearance and differential diagnosis. Schaffer. 157

The use of ultrasound to determine fetal age: A review. Hadlock et al. 95

Ultrasonic visualization of the fetal pancreas and hepatic venous circulation. Cyr. 27

OPERATIVE SONOGRAPHY

Operative sonography (book review). Kumari. 47

PANCREAS

Ultrasonic visualization of the fetal pancreas and hepatic venous circulation. Cyr. 27

PANCREATITIS

Sonographic diagnosis of choledochal cyst presenting as recurrent pancreatitis. Beitia et al. 119

PENILE SONOGRAPHY

Techniques for success: Penile sonography. Dierks. 85

PHONOCARDIOGRAPHY

Techniques for success: Phonocardiography and bicuspid aortic valve. Smith et al. 139

REAL-TIME ULTRASOUND

A new anatomically oriented approach to labeling real-time sector ultrasonograms. Ritchie et al. 108

Real-time ultrasound guidance for ventriculo-peritoneal shunting. Kuhar et al. 147

The routine use of real-time ultrasound in abdominal examinations. Rosenberg et al. 1

STATIC SCANNERS

Quality control for static scanners made easy. Lundquist. 164

VENTRICULO-PERITONEAL SHUNTING

Real-time ultrasound guidance for ventriculo-peritoneal shunting. Kuhar et al. 147

VETERINARY ULTRASOUND

A new frontier—Veterinary ultrasound: The Spleen. Part I. Foss et al. 152

TECHNIQUES FOR SUCCESS

Techniques for success: Gain abuse. Dierks. 41

Techniques for success: Penile sonography. Dierks. 85

Techniques for success: Phonocardiography and the bicuspid aortic valve. Smith et al. 139

Techniques for success: RPO and LPO positioning revisited. Dierks. 184

Author Index

Adams DB: The cardiac sonographer—Results of a survey of echocardiographers. 53

Anderson JA: See Pope JC, et. author

Bader B: Creating your own ultrasound slide teaching file. 13

Beitia A, Krasaeth T, Roebert GJ: Sonographic diagnosis of choledochal cyst presenting as recurrent pancreatitis. Beitia et al. 119

Berman MC: Looking at trends which could affect the field of diagnostic medical sonography. 7

Bowie JD: See Rosenberg ER, et. author

Butkiewicz B: See Straub WH, et. author

Callahan S: See Williamson RA, et. author

Caplan R, Dubinsky T, Woletz PS: Ultrasonography in renal transplantation and pregnancy. Caplan et al. 68

Carney D: See Filly K, et. author

Carter S: See George SA, et. author

Chuculate GP: See Strom JA, et. author

Clair MR: See Rosenberg ER, et. author

Cyr DR: Ultrasonic visualization of the fetal pancreas and hepatic venous circulation. 27

Deppe G: See Gleicher N, et. author

Deter RL: See Hadlock FP, et. author

Dierks PR: Hematometrocolpos with ipsilateral renal agencies. 123; Techniques for success, 41, 84, 85; See Smith D, et. author

DiGiacinto TM: A reply: Looking at trends which could affect the field of diagnostic medical sonography. 10

Downing LL: See Naggar CZ, et. author

Dubinsky T: See Caplan R, et. author

Elrad H: See Gleicher N, et. author

Elwell P: See Subramanyam BR, et. author

Factor SM: See Strom JA, et. author

Fee CK: See Williamson RA, et. author

Filly K, Hagen-Ansert S, Hagan A, Carney D, Kisslo J, Christie L, Korfhagen J: Report of the American Society of Echocardiography committee on education and training of the echocardiographer (cardiac sonographer). Filly et al. 76
